

infiniti CELLS

Live Younger & Stronger for Longer.

Thursday, March 3rd | 6:30 pm

With Special Guest **MARTIE WHITTEKIN**

Pappa's Delta Blues
3916 Dallas Parkway
Plano, TX 75093

Regenerate & Repair Tissue

Stem cells are our body's natural internal repair system. They seek out damage and work to regenerate the damaged tissue.

Decrease Pain & Soreness

Stem cells have powerful anti-inflammatory action. Reduced inflammation leads to a decrease in pain & soreness in your body.

Improve Your Health

Research shows stems cells may benefit a wide variety of health complications and assist you in living a stronger, healthier life.
